

“ WE MUST REPAIR THE INSTITUTIONAL NEGLECT OF PEOPLE OF COLOR IN DELAWARE’S JUDICIARY. ”

– Reverend Al Sharpton

Delaware’s Court of Chancery

Delaware’s State Supreme Court

It is not enough to simply transfer representation. We must **INCREASE** diversity on our courts. The promotion of Vice Chancellor Montgomery-Reeves was long-overdue, but we must now fill her vacated seat on the Chancery Court to truly reflect the diversity of Delaware residents.

### WHY IS DELAWARE SO BEHIND ON DIVERSE REPRESENTATION IN OUR COURTS AND LEGAL SYSTEM?

Out of 282 partners in Wilmington law firms, less than **5%** are racial minorities while **39%** of Delaware is racially diverse.\*
