

CITIZENS FOR A PRO-BUSINESS DELAWARE'S NEW YEAR'S RESOLUTION:

TRANSPARENCY

Allow cameras in the Chancery Court to ensure that a public record exists.

ACCOUNTABILITY

Require easily accessible financial disclosures by Delaware's judges.

DIVERSITY

Fill the open Chancery Court seat to represent the diversity of the state.

THE GOOD OL' BOYS CLUB

Disclose potential conflicts of interest when Justices appoint custodians from their former workplaces.

MINIMAL MINORITY REPRESENTATION IN DELAWARE COURTS AND LAW FIRMS

Only at the end of 2019, did Delaware confirm it's first black state supreme court Justice. Delaware must do better.

UNFAIR SYSTEM FOR FILING COMPLAINTS AGAINST THE COURT

Justices appointed to Chancellor Bouchard's Chancery Court should be barred from serving on the Court of Judiciary, which reviews grievances against the courts and the judges who sit on them.

“When the notorious Russian arms dealer Viktor Bout needed to finance his deals? He set up shell companies in Delaware.

And it doesn't stop with real estate - over half of Trump's more than 500 companies are registered in Delaware, taking advantage of state loopholes that exempt LLCs from publishing their financial information or disclosing their ownership structure.”

- Elizabeth Warren
