<sup>1</sup> Fair values are month-end spot prices published by Ux Consulting Company, LLC, translated at the Bank of Canada's month-end daily exchange rate of \$1.3233.

On the last trading day of January 2020, the common shares of UPC closed on the TSX at a value of CAD\$3.85, which represents an 8.77% discount to the net asset value of CAD\$4.22 per share.

As previously reported (see UPC news release dated November 14, 2019), UPC entered into commitments to sell the conversion component contained in 300,000 KgU as UF<sub>6</sub> ("Conversion Sale") and to purchase a total of 230,000 pounds of U<sub>3</sub>O<sub>8</sub> ("Uranium Purchase"). The Conversion Sale will result in the exchange of 300,000 KgU as UF<sub>6</sub> for 783,856 pounds of U<sub>3</sub>O<sub>8</sub> and cash consideration of USD\$6,087,000 and takes place in three equal tranches of 100,000 KgU as UF<sub>6</sub> for delivery in January 2020, June 2020, and July 2020 respectively. The Uranium Purchase involves the acquisition of three tranches of 100,000 pounds U<sub>3</sub>O<sub>8</sub>, 76,300 pounds U<sub>3</sub>O<sub>8</sub>, and 53,700 pounds U<sub>3</sub>O<sub>8</sub>, for delivery in October 2019, January 2020, and June 2020, respectively, at an average price of USD\$26.04. In October 2019, UPC took delivery of the first tranche of 100,000 pounds U<sub>3</sub>O<sub>8</sub>. In January 2020, the first Conversion Sale was completed, which resulted in an exchange of 100,000 KgU as UF<sub>6</sub> for 261,285 pounds of U<sub>3</sub>O<sub>8</sub>. In January 2020, UPC also took delivery of the Uranium Purchase's second tranche of 76,300 pounds U<sub>3</sub>O<sub>8</sub>.

Following the completion of the various uranium transactions described above, UPC expects to hold a total of 16,263,372 pounds U<sub>3</sub>O<sub>8</sub>, and 400,000 KgU as UF<sub>6</sub>.

**About Uranium Participation Corporation**

Uranium Participation Corporation is a company that invests substantially all of its assets in uranium oxide in concentrates ("U<sub>3</sub>O<sub>8</sub>") and uranium hexafluoride ("UF<sub>6</sub>") (collectively "uranium"), with the primary investment objective of achieving appreciation in the value of its uranium holdings through increases in the uranium price. UPC provides investors with a unique opportunity to gain exposure to the price of uranium without the resource or project risk associated with investing in a traditional mining company. ***Caution Regarding Forward-Looking Information***

This press release contains certain forward-looking statements and forward-looking information that are based on UPC's current internal expectations, estimates, projections, assumptions and beliefs. Forward-looking statements generally can be identified by the use of forward-looking terminology such as "may", "will", "expect", "intent", "estimate", "anticipate", "plan", "should", "believe" or "continue" or the negative thereof or variations thereon or similar terminology and include statements with respect to UPC's investment objectives, its uranium holdings, the transactions entered into with third parties, and agreements with respect thereto.

By their very nature, forward-looking statements involve numerous factors, assumptions and estimates. A variety of factors, many of which are beyond the control of UPC, may cause actual results to differ materially from the expectations expressed in the forward-looking statement. These factors include, but are not limited to, changes in commodity prices and foreign exchange as well as the risk that UPC will not obtain the anticipated benefits of its agreements with third parties. For a description of the principal risks of UPC, see "Risk Factors" in UPC's Annual Information Form dated May 6, 2019 for the year ended February 28, 2019, a copy of which is available at [www.sedar.com](http://www.sedar.com).

These and other factors should be considered carefully, and readers are cautioned not to place undue reliance on these forward-looking statements. Although management reviews the reasonableness of its assumptions and estimates, unusual and unanticipated events may occur which render them inaccurate. Under such circumstances, future performance may differ materially from those expressed or implied by the forward-looking statements. Except where required under applicable securities legislation, UPC does not undertake to update any forward-looking information statement.
