

Truist Cares for Communities

We're doubling our philanthropic pledge to help rebuild communities affected by the COVID-19 pandemic.

Now totaling:

A \$50 million commitment

March 2020:

Truist Cares launches and provides 253 grants to nonprofits totaling **\$25 million** for frontline needs

Key areas of focus:

- **Truist Cares to Connect** – technology services and devices for most vulnerable communities experiencing connectivity challenges
- **Truist Cares for Youth** – wrap-around services for children and youth
- **Truist Cares for Seniors** – food services and medical supplies for elderly
- **Truist Cares for Small Businesses** – financial support and technical assistance for small businesses
- **Truist Cares for the Workforce** – basic needs for vulnerable populations

Major grants included:

- \$1 million each to the CDC Foundation and Johns Hopkins Medicine
- \$7 million to local United Way organizations
- \$1 million each to LiftFund and Natural Capital Investment Fund, community development financial institutions
- \$2 million to Boys & Girls Clubs of America's COVID-19 Relief Fund

May 2020:

Truist Cares continues to inspire and build better lives and communities through rebuilding efforts by collaborating with nonprofit organizations and engaging teammates – committing **an additional \$25 million**

Key areas of focus:

- **Truist Cares to Connect** – \$9 million investment to bring technology services and devices to rural and urban communities that need it most 
- **Truist Cares for Small Businesses** – \$10 million to fund community development financial institutions providing access to capital and technical assistance for:
 - Women and minority-owned businesses 
 - Small businesses with fewer than 10 employees
- **Truist Teammates Care** – \$6 million toward nonprofit organizations to support communities where teammates work and live, including teammate-driven virtual volunteer efforts
