

## Benefits of Western Nations, fuelled by Co-op

Co-op provides products and services to support the success of independent Western Nations gas bars, such as:

- Facility Design Program: Co-op can work with Indigenous communities to help plan and build locations through pre-existing designs – with the flexibility to customize designs to each community's needs.
- Brand Association: Western Nations Gas Bars are Fuelled by Co-op, a heritage brand with high-quality products that communities across Western Canada have trusted for generations.
- Uniform Program: Co-op will provide help to supply and subsidize team member uniforms.

### *Other program benefits:*

- Competitive grants to enhance and upgrade appearance and equipment.
- Attractive debit and credit card fees.
- Comprehensive offering of high-quality products, including gas, diesel, propane, lubricants, convenience store items and car wash products.
- Co-op Fuels – including [Top Tier™ certified](#) gasoline – are trusted, reliable and manufactured at the Co-op Refinery Complex in Regina, Saskatchewan.
- Promotion and maintenance assistance.
