

2021 4th GCSA

Global Corporate Sustainability Awards

Going Global ! Eye on Sustainability !

GCSA rewards and recognizes companies, organizations, and individuals for their efforts in achieving United Nations Sustainable Development Goals (UN SDGs). GCSA has been awarded to 51 winners from 11 countries since 2018. The efforts in achieving the UN SDGs continues amidst the uncertainty caused by the worldwide COVID-19 pandemic in 2020, GCSA specially established the Special Award for Pandemic Response in 2021 to recognize the sustainability initiatives focusing on battling COVID-19.

Glory in Sustainability

GCSA judging panels are composed of worldwide professionals. Winners of GCSA will be awarded in the grand ceremony held at The Grand Hotel in Taipei on November 17. The ceremony will be witnessed by over 2,000 people including senior executives from governments and companies. GCSA brings positive impacts to corporate images.

Multiple Approaches in Sustainability

GCSA is awarded in 4 categories.

Best Practice

Recognizes individuals who have made outstanding contributions to sustainable development within their organizations.

Rewards organizations that have the best practice in sustainability.

Sustainability Reporting

Outstanding Professional

Recognizes organizations for disclosure of sustainability information in transparent and credible manners.

Recognizes outstanding sustainability initiatives in responding to the COVID-19 pandemic.
