

2020 Giving

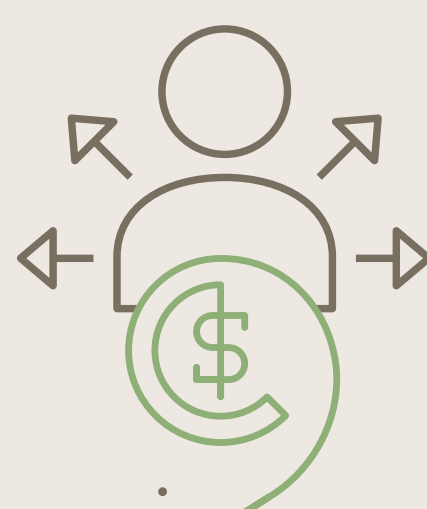

by the Numbers

2020 presented new and numbered challenges globally, and private foundations answered the call. Our analysis of **1,157 private foundations** showed that funders gave more, gave more purposefully and directly responded to emerging needs during unprecedented times.

GRANT DOLLARS were directed to recipients globally across **20 countries**

FOUNDATIONS granted an average of **7.4% of their assets**, well above the required minimum of 5%

22% OF ALL GRANTS occurred in December encompassing holidays and the end of the fiscal tax year

10% OF GRANTS OCCURRED IN APRIL in response to the emergency declaration re COVID-19

Amount of grants given for **GENERAL-PURPOSE USE**, the highest in more than a decade

128%

INCREASE IN GRANTS TO INDIVIDUALS, helping get aid to people in need

Consistent with needs presented in 2020, **HUMAN SERVICES** and **PUBLIC/SOCIETAL BENEFIT CHARITIES** received **1/3rd**

of all grants, an increase of 5% over the prior year
