

CSM GROUP

Commitment from the Ground, Up

As a national construction management firm with nearly 40 years of experience, CSM Group has completed more than 1,500 projects of all sizes across a range of industries. Our team of almost 200 employees seamlessly incorporates planning, communication, safety, execution, and measurement to create spaces that meet today's ever-changing demands.

It's not just a building to our clients, and it's not just a job for us. We pride ourselves on our commitment and professionalism. At every level, at every stage of construction, we are there to help clients – from the ground, up.

Coming Soon

It's Time to Build

We know that organizations and communities across North America are ready to grow. And so are we. Expect to see CSM Group wherever there's innovation in new construction.

Welcoming New CEO Stuart Mason

Starting August 2021

- 30+ years of experience
- Seasoned and visionary global leader with expertise in high-tech, industrial manufacturing, automotive, and food and beverage industries
- Led high-profile projects with blue chip firms including GE, BMW, Unilever, Nestlé, Diageo, Siemens, Lego, and Lindt
- Formerly a senior leader at Arcadis construction consulting and design and AECOM infrastructure consulting

Founding CEO Steve East Becomes Board Chair

Starting August 2021

- Led CSM Group for 38 years; purchased it in 1990
- Diversified CSM Group client base and grew the business nationally
- Supported over 100 organizations, including Fortune 500 clients in the food and beverage, pharmaceutical, advanced technologies, and industrial and manufacturing markets
- Will provide counsel and guidance to our leadership team against long-term strategic plan

*The Board also welcomes new member **Seth Deutsch**, Chief Growth Officer at E78 Partners. Deutsch is a globally recognized leader in private equity and long-time collaborator with Stuart Mason.*

Growing Our Network Across the U.S.

Austin, Texas Expansion

A new satellite office near Mason's home base will help us serve the Southwest's emerging high-tech and manufacturing industries.

Deeper Midwest Roots

We will invest more locally, strengthening and broadening services to many loyal clients in healthcare, education, and the commercial and industrial sectors.
