

# Pembina Pipeline Corporation Declares Common Share Dividend

**CALGARY, ALBERTA, August 5, 2021** – Pembina Pipeline Corporation ("Pembina" or the "Company") (TSX: PPL; NYSE: PBA) announced today that its Board of Directors declared a common share cash dividend for August 2021 of \$0.21 per share to be paid, subject to applicable law, on September 15, 2021 to shareholders of record on August 25, 2021. This dividend is designated an "eligible dividend" for Canadian income tax purposes. For non-resident shareholders, Pembina's common share dividends should be considered "qualified dividends" and may be subject to Canadian withholding tax.

For shareholders receiving their common share dividends in U.S. funds, the August 2021 cash dividend is expected to be approximately U.S. \$0.1674 per share (before deduction of any applicable Canadian withholding tax) based on a currency exchange rate of 0.7971. The actual U.S. dollar dividend will depend on the Canadian/U.S. dollar exchange rate on the payment date and will be subject to applicable withholding taxes.

### **Confirmation of Record and Payment Date Policy**

Pembina pays cash dividends on its common shares in Canadian dollars on a monthly basis to shareholders of record on the 25<sup>th</sup> calendar day of each month (except for the December record date, which is December 31<sup>st</sup>), if, as and when determined by the Board of Directors. Should the record date fall on a weekend or a statutory holiday, the effective record date will be the previous business day. The dividend payment date is the 15<sup>th</sup> calendar day of the month following the record date. Should the payment date fall on a weekend or on a statutory holiday, the business day prior to the weekend or statutory holiday becomes the payment date.

### **About Pembina**

Pembina is a leading transportation and midstream service provider that has been serving North America's energy industry for more than 65 years. Pembina owns an integrated system of pipelines that transport various hydrocarbon liquids and natural gas products produced primarily in western Canada. The Company also owns gas gathering and processing facilities; an oil and natural gas liquids infrastructure and logistics business; and is growing an export terminals business. Pembina's integrated assets and commercial operations along the majority of the hydrocarbon value chain allow it to offer a full spectrum of midstream and marketing services to the energy sector. Pembina is committed to identifying additional opportunities to connect hydrocarbon production to new demand locations through the development of infrastructure that would extend Pembina's service offering even further along the hydrocarbon value chain. These new developments will contribute to ensuring that hydrocarbons produced in the Western Canadian Sedimentary Basin and the other basins where Pembina operates can reach the highest value markets throughout the world.

Purpose of Pembina:

To be the leader in delivering integrated infrastructure solutions connecting global markets:

- **Customers** choose us first for reliable and value-added services;
