CHICAGO TRIBUNE NAMES BERLIN PACKAGING A WINNER OF THE CHICAGOLAND TOP WORKPLACES 2021 AWARD

Chicago, Illinois December 09, 2021 - Berlin Packaging has been awarded a Top Workplaces 2021 honor by The Chicago Tribune Top Workplaces. The list is based solely on [employee feedback](#) gathered through a third-party survey administered by employee engagement technology partner [Energage](#), LLC. The anonymous survey uniquely measures 15 culture drivers that are critical to the success of any organization: including alignment, execution, and connection, just to name a few.

"During this very challenging time, Top Workplaces has proven to be a beacon of light for organizations, as well as a sign of resiliency and strong business performance," said Eric Rubino, Energage CEO. "When you give your employees a voice, you come together to navigate challenges and shape your path forward. Top Workplaces draw on real-time insights into what works best for their organization, so they can make informed decisions that have a positive impact on their people and their business."

"We're very proud and honored to have been named one of the Top Workplaces in Chicago this year! But the true reward for us is the '1Berlin' spirit that our employees bring to work every single day. We're a top place to work because our employees make us great with their passion, loyalty, and 'Anything is Possible' mindset. And even though we earned this achievement in Chicago, our award-winning culture extends across our 26+ locations across North America," said Tom Culhane, Chief Human Resources Officer.
