

FREE TECH TRAINING

Are you an underrepresented racial minority looking to get into tech? Sign up for our 7-month, tuition-free, software development training by Sept. 30!

No prior knowledge or experience required. If you self-identify as an underrepresented minority, all you need is a computer with internet access, the ability to legally work in the U.S., and an accurate LinkedIn profile and photo.

7-MONTH
SESSION BEGINS:
October 3, 2022

ENROLL TODAY

 **RESKILL
AMERICANS**

*Reskill Americans is funded by the generosity of our donors with no financial obligation to participants.
