## **ATCO LTD. REPORTS A CHANGE IN PERCENTAGE OF OWNERSHIP OF CANADIAN UTILITIES LIMITED CLASS B COMMON SHARES**

CALGARY, Alberta –ATCO Ltd. (TSX: ACO.X, ACO.Y)

ATCO Ltd. (“ATCO”) advises today that the percentage of outstanding Class B common shares of Canadian Utilities Limited held by ATCO has increased by 4.55% since May 18, 2022, to 96.73%. The percentage increase was caused by third parties converting Class B common shares of Canadian Utilities Limited into Class A non-voting shares and was not the result of any action taken by ATCO or Canadian Utilities Limited. The Class B common shares are convertible into Class A non-voting shares on a one-for-one basis at the option of the holders.

Additional information regarding this change in ownership percentage by ATCO is contained in the early warning report filed on [SEDAR](#) under Canadian Utilities Limited’s profile.

With approximately 6,400 employees and assets of \$23 billion, ATCO is a diversified global corporation with investments in the essential services of Structures & Logistics (workforce and residential housing, innovative modular facilities, construction, site support services, workforce lodging services, facility operations and maintenance, defence operations services, and disaster and emergency management services); Utilities (electricity and natural gas transmission and distribution, and international electricity operations); Energy Infrastructure (electricity generation, energy storage and industrial water solutions); Retail Energy (electricity and natural gas retail sales); Transportation (ports and transportation logistics); and Commercial Real Estate.
