

TOP *Tims* TOWNS 2022

Tim Hortons reveals which Canadian towns and cities were the biggest fans this year of some Tims favourites.

Millions of Canadians across Canada go on a Tims Run each and every day, whether it's for breakfast and their morning coffee, a quick and delicious lunch or dinner, or something to satisfy their sweet tooth. Each guest has their own unique and personal go-to Tims order – and it turns out some Canadian towns and cities also stand out for having their own local preferences. We crunched the numbers from 2022 to find which town or city had the highest per capita sales of some beloved Tims menu items.
