## **A Dozen Years of Recognized Success: Amerisure Named Among Best Places to Work in Insurance by *Business Insurance* and Best Companies Group for 12<sup>th</sup> Time**

**Farmington Hills, Mich., September 14, 2023** — Amerisure is proud to be named in the annual Best Places to Work in Insurance program, which recognizes companies for their outstanding performance in establishing workplaces where employees can thrive, enjoy their work and help their organizations grow.

This is the 12<sup>th</sup> year Amerisure has been named to the list. To determine award recipients, the Best Companies Group identifies leading employers in the insurance industry by conducting a two-part assessment of each company. The first assessment involves a questionnaire completed by the employer about company policies, practices and demographics. The second part is a confidential employee survey on engagement and satisfaction.

“We are thrilled to be ranked among the Best Places to Work in Insurance for the 12<sup>th</sup> time,” said Erin Buddie, vice president of human resources at Amerisure. “This award is a testament to Amerisure’s greatest strength: our exceptional employees. Each teammate gives life to the *One Amerisure* service model we offer to our customers and each other, and this recognition underscores how our people set us apart in the industry.”

Best Places to Work in Insurance is an annual sponsored feature presented by the Custom Publishing unit of Business Insurance and Best Companies Group that lists agents, brokers, insurance companies and other providers with the highest levels of employee engagement and satisfaction. This year’s report features 100 companies of various sizes, from 25 employees to more than 4,000. Find the complete list of winners [here](#).
