EMPOWERED EDUCATION

Renewable Energy Scholarship
from SOLV Energy

PowerUp!

Applications due May 6th

SOLV Energy's commitment to creating a brighter future doesn't stop with our projects. We recognize the ripple effect our work makes and our responsibility to produce and share that good energy.

The PowerUp! Scholarship gives us the opportunity to engage with you and learn more about your passion for renewable energy. Up to 6 high school seniors will be awarded \$1,500 each to use toward their education to help create a more sustainable planet.

Write a 500-1,500-word essay explaining how you plan to use your education to help achieve this goal. Include your experience with a high school or community outreach project that shows how you are working toward this goal. Include illustrations as needed.

Apply by May 6, 2024. An internal committee selected by SOLV Energy and sei will evaluate the applications and notify the winners via email by May 31, 2024. Awards will be distributed to each student by June 30, 2024.
