SPIRE Academy to Host Solar Eclipse Festival

Geneva, OH - SPIRE Academy is excited to share news about the upcoming solar eclipse which will be visible in the local area on Monday, April 8th. As demand for accommodations surges, SPIRE is delighted to offer additional rooms at their new Towne Place Suites hotel for guests looking to stay in the area during the event. This is bound to be a spectacular show as Danielle Dowling notes in her New York Times article [52 Places to Go in 2024](#). "From the beaches of Mazatlán, Mexico, to the rugged coves of Maberly, Newfoundland, the sky will be the stage on April 8 as a total solar eclipse sweeps across North America. This year, the moon will be near its closest point to Earth, resulting in an unusually wide swath and long-lasting totality" (Dowling).

As part of the celestial celebration, SPIRE Academy is also hosting the [SPIRE Eclipse Festival](#) on April 8th, from 10 am to 4 pm. The event will include open play on the soccer field and basketball court, shows by Jungle Terry, a lunch buffet, a beer and wine garden, bouncy houses, live music, a free throw competition, a big screen movie, a vendor market and custom merchandise.
