Best-in-Class Client Satisfaction Scores

Axiom consistently listens and responds to clients through proactive feedback processes to **continuously improve** the client experience.

9,300 talent quality surveys, using data-driven best practices to maximize client satisfaction and talent quality.

Axiom is among the best talent clients have ever worked with

Respondents were asked to rank Axiom's talent quality on a scale of 1 to 5, with 1 meaning "Below expectations" and 5 meaning "Exceeds expectations," across four dimensions.

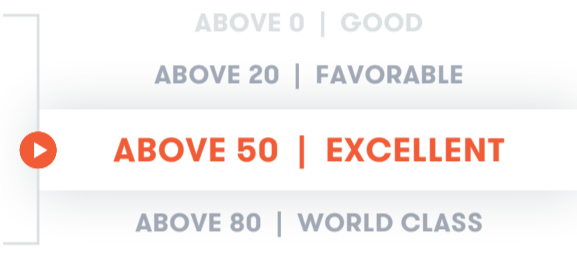

4.3	LEGAL EXPERTISE
4.3	BUSINESS JUDGEMENT
4.4	COMMUNICATIONS & COLLABORATION
4.5	RESPONSIVENESS

6 in 10 of survey respondents reported that Axiom talent was in the top 10% of legal talent they have ever worked with¹

95% of survey respondents reported that Axiom lawyers and legal professionals meet or exceed their expectations

Industry-leading client NPS® (Net Promoter® Score) for quality of legal talent: **68** ("excellent")

Axiom's NPS continues to trend upwards and outpaces the broader legal services industry score of 37.² Developed by Bain & Company, NPS is considered the gold standard for measuring client experience.³ According to Bain, NPS scores fall into the following categories:

Unparalleled Lawyers and Legal Professionals

Over 18 years of experience on average, with proficiency equivalent to what you'd expect from an elite firm, and **the deep in-house experience our clients need.**

WE **ONLY** HIRE THE BEST

3 in 100 applicants who apply are accepted, due to Axiom's diligent screening process.

RIVALS ELITE LAW FIRMS

90% of clients report that Axiom's lawyers are as talented or even superior to their counterparts at traditional law firms.

Axiom is a Full-Service Legal Provider

Supporting your unique legal needs **across the full spectrum of legal work.**
