The Foundation for Global Sports Development Announces \$100,000 in Scholarships for High School Seniors *Applications Now Open for Exceptional Youth Scholarship*

Los Angeles, CA – [The Foundation for Global Sports Development \(GSD\)](#) continues its commitment to empowering youth through education by offering the Exceptional Youth Scholarship. Since its inception in 2015, this scholarship has recognized high school seniors across the United States who exhibit academic excellence and active community involvement.

A total of ten (10) students will each be awarded a one-time scholarship of \$10,000 to be applied towards the cost of attendance at an accredited four-year university or college in the United States. This includes tuition, housing, books, and other on-campus related expenses.

"We firmly believe in the transformative power of education, and our hope is that the Exceptional Youth Scholarship will ease students' financial concerns, letting them focus on academics instead," said David Ulich, President of The Foundation for Global Sports Development. "We encourage students who are actively involved in their education and in giving back to their community to apply."

The Exceptional Youth Scholarship application opens today, March 18, 2024, and will close on April 19, 2024, at 11:59 p.m. ET.
