**About NRF**

The National Retail Federation passionately advocates for the people, brands, policies and ideas that help retail succeed. From its headquarters in Washington, D.C., NRF empowers the industry that powers the economy. Retail is the nation’s largest private-sector employer, contributing \$3.9 trillion to annual GDP and supporting one in four U.S. jobs – 52 million working Americans. For over a century, NRF has been a voice for every retailer and every retail job, educating, inspiring and communicating the powerful impact retail has on local communities and global economies. **About Comexposium**

The Comexposium Group is one of the leading event organisers worldwide, creating events that bring communities together to discover and explore businesses, passions and interests. Comexposium organizes more than 150 professional and general public events, covering more than 10 sectors of activity. The group connects 48,000 exhibitors and 3.5 million visitors, 365 days a year.

Comexposium is present in the retail sector with market-leading brands such as Paris Retail Week, Siec, Equipmag and One-to-one events in France, Franchise shows in the US, and ad.Tech and iMedia in Asia-Pacific.

In addition to its events, Comexposium creates experiences, as well as opportunities for individuals to meet, enabling communities to connect throughout the year, through an effective and targeted omni-channel approach. [comexposium.com](http://comexposium.com)

### **About Retail's Big Show Asia Pacific**

Retail's most important event in Asia Pacific takes place in Singapore from 11 – 13 June 2024.

The Asia Pacific edition brings together retail industry leaders from across the region to collaborate on a Pan Asia Pacific stage. Be inspired by the biggest retail leaders across Asia Pacific at Retail's Big Show Asia Pacific in one of the world's fastest growing markets. Retail professionals from around the globe can experience three days of educational programming, an all-encompassing Expo featuring the latest retail solutions, as well as an Innovation Lab and Startup Zone featuring breakthrough technologies in Asia Pacific's retail sector.
