LIL DONALD

*Lil Donald born 1992 Donald Brooks in Atlanta, GA, is an American rapper who found his voice and passion for rhyming at a very young age. Lil Donald claimed his fame in 2015 with club banger "JUICE" and his signature dance that would hype up the crowds each time he performed. Lil Donald wears many hats and has overcome more than many. One of his greatest accomplishments and titles is being a father, which inspired his rendition of "Baby Shark". As an Independent artist he has also accomplished millions of streams and ranks for "Se7en Rules" and "Real N**ga You" both ranking in the top 20 of urban radio, and of course double platinum hit "Do Better" to name a few.*

Lil Donald's aspirations soar above those of his peers, driven by a profound desire to carve out a legacy akin to the societal impact of Martin Luther King Jr. "I don't want to depart this world remembered solely as a great artist," he asserts. "I aim to be a catalyst for fundamental shifts in societal perceptions and behaviors, leaving an indelible mark on humanity." Recently, his single "Do Better" achieved a remarkable milestone, surpassing 100,000,000 streams on Spotify, a testament to his burgeoning global resonance. Now, poised to amplify his narrative on an international stage, Lil Donald endeavors to leverage his music as a vehicle for transformative x, drawing inspiration from his own adversities as a catalyst for societal progression.
