# HiringThing Named an Honoree in the Stevie® Awards for Most Innovative Tech Company of the Year

*HiringThing named Bronze Stevie Honoree in the prestigious American Business Awards*

7/1/24—Bartonsville, PA—HiringThing, the premier white label recruiting platform, was named a Bronze Stevie® Award Honoree for most innovative tech company of the year (up to 100 employees) in the 22nd Annual American Business Awards®.

HiringThing's innovation stands out from its competitors with its engineering expertise and open API. They fill the gap by being imminently integratable—they're developer-founded, and their solution is developer-forward.

Additionally, HiringThing added onboarding software to its recruiting platform in 2023. Employee onboarding is an in-demand market. 93% of employers said good onboarding is crucial to employee retention. Only 12% of employees strongly agree their organization has strong onboarding, and 36% of employers say a lack of employee onboarding tech is their main hurdle to a strong experience. "By adding employee onboarding, we're providing even more value to our partners," says HiringThing Product Director Colette Luke.

The American Business Awards are the U.S.A.'s premier business awards program. All organizations operating in the U.S.A. are eligible to submit nominations – public and private, for-profit and non-profit, large and small.

More than 3,700 nominations from organizations of all sizes and in virtually every industry were submitted this year for consideration in a wide range of categories, and more than 300 professionals worldwide participated in the judging process to select this year's Stevie Award winners.

"While growth in much of the world economy has recovered slowly from the COVID-19 pandemic, the American economy continues to show remarkable resilience and growth," said Stevie Awards president Maggie Miller. "Our 2024 Stevie winners have contributed to that

successful recovery through their innovation, persistence, and hard work. We congratulate all our winners in the 2024 ABAs.”

“We’re incredibly proud to be recognized for our innovation by an organization as esteemed as The Stevie Awards,” said HiringThing founder and CEO Joshua Siler.
