## 360 Advanced Unveils Strategic Alliance to Fortify Security and Compliance Ecosystem called the Compliance Alliance

St. Petersburg, Florida – July 23<sup>rd</sup>, 2024

360 Advanced, a leading authority in compliance and cybersecurity solutions, is proud to announce its strategic alliance with an elite cadre of organizations dedicated to advancing security and compliance standards across industries. This alliance marks a pivotal moment in the evolution of the security and compliance landscape, bringing together expertise from diverse domains to create an ecosystem called the Compliance Alliance.

The Compliance Alliance is structured around five key pillars:

- **GRC Platforms:** Integrating governance, risk, and compliance management systems to streamline processes.
- **Cybersecurity Audit & Compliance Partners:** Ensuring organizations meet industry standards and regulatory requirements through rigorous evaluations and audits.
- **Value Added Resellers (VARs):** Enhancing and reselling technology solutions with additional services such as customization, integration, and support.
- **Cyber Insurance Companies:** Providing coverage and financial protection against losses from cyber incidents.
- **Service Providers:** Offering IT support and cybersecurity management, including network monitoring, data backup, and software updates.

Each of these key pillars bring unique strengths and perspectives, enriching the collective capabilities of the alliance. Together, they will deliver a unified approach to addressing the complex challenges of security and compliance, leveraging cutting-edge technologies and deep industry insights.

"We are thrilled to embark on this journey with such esteemed alliances who share our commitment to excellence," said Dan Collins, CEO of 360 Advanced. "By combining our strengths, we aim to set new benchmarks in security and compliance solutions, empowering organizations to navigate regulatory landscapes with confidence and efficiency."

The alliance will focus on fostering innovation, promoting best practices, and enhancing service offerings to meet the evolving needs of clients in an increasingly digital world. This collaboration underscores 360 Advanced dedication to providing robust, scalable solutions that mitigate risks and drive sustainable growth.
