SPIRE **DIVISIONS**

SPIRE **ACADEMY**

As the foundation of SPIRE, the Academy is where training, performance and education lives within four integrated priorities: academics, passion (i.e. sport), personal and career development.

SPIRE **CAMPS**

As an extension of our Academy, athletes can experience an Academy training atmosphere that focuses on sport-specific development, performance training, mental skills acquisition and nutrition planning.

SPIRE **EVENTS**

Our facilities are world-class in size and resilience with an event management team who is exceptionally experienced. Our multi-sport tournaments and events are where we connect the local, national and global community to SPIRE.

SPIRE **LEAGUES, CLUBS AND TEAMS**

In an effort to provide aspiring student athletes the most opportunity to reach their peak potential, we've partnered with organizations across the nation to deliver The SPIRE Way. Our relationships include everything from league support to ownership of clubs, leagues and professional teams.

SPIRE **FIT**

Our passion for excellence extends beyond world-class destination programs, tournaments and events. We are also committed to the well-being of our community. We offer memberships and personal training so everyone can enjoy the SPIRE experience and strive to fulfill their own personal goals and objectives.

SPIRE **INSTITUTE**

The Institute is our real-world lab and exists at the forefront of innovative research, development and healthcare to support aspiring professionals across multiple disciplines.
