KANDI BURRUSS RETURNS WITH SEASON 7 OF SPEAK ON IT – AND SHE'S NOT HOLDING BACK

This season, guests come ready to share it all—raw stories, untold truths, and emotional journeys they've never spoken publicly... until now. It's the lucky season, and Kandi is delivering the real like only she can.

The premiere episode features none other than **Todd Chrisley**, in his first in-depth podcast since being released and pardoned. In a conversation that's already making headlines, Todd opens up about life behind bars, the alleged affair that fueled the criminal allegations, his fractured relationship with his eldest daughter, and his personal mission for redemption.

He's unfiltered. He's holding back nothing. And he's finally speaking on it.
