TEXSOM Teams Up with Italian Wine Podcast for an Exclusive 2025 Series

TEXSOM and the Italian Wine Podcast are proud to announce the continuation of their media partnership for a second year, proudly sponsored by the Texas Department of Agriculture's Uncork Texas Wines program.

As part of this collaboration, the Italian Wine Podcast is producing an exclusive *TEXSOM 2025* podcast series, recorded both in the lead-up to and during this year's celebrated conference.

Hosted by wine journalist and author **Jessica Dupuy DipWSET**, the series offers listeners behind-the-scenes access to inspiring conversations with key speakers, panelists, and participants. Guests include **James Tidwell MS**, **Christy Frank**, **Jonathan Ross MS**, **Tim Gaiser MS**, **Amanda Barnes MW**, **Kathleen Thomas**, and many more leading voices in the global wine and hospitality industry.

Through this special TEXSOM partnership, the Italian Wine Podcast is expanding its reach to highlight the people and perspectives shaping the broader wine industry, from Italy to Texas and beyond. And don't miss the special "**Texas Wine Tidbit**" at the end of each episode, a fun fact, story, or insight that showcases the people and places behind Texas-made wine.

This series is made possible thanks to the **Texas Department of Agriculture's Uncork Texas Wines program**, which celebrates Texas wine culture by supporting local wineries and grape growers and helping build a vibrant community around Texas-grown wine.
