For IT decision-makers and frontline workers in manufacturing, logistics, construction, and other demanding fields, the aXtion Edge for iPhone 17 is the ultimate rugged case engineered to maximize productivity and minimize downtime. More than just drop-proof, it's designed to prevent drops from happening in the first place. Featuring load-tested, reinforced tethering points, it ensures compliance with "stop-the-drop" safety policies, protecting both your personnel and your technology investment. Certified to military-grade MIL-STD-810H standards and fully compatible with MagSafe/Qi charging, this case keeps your workforce connected, safe, and efficient.

- **LOWER TOTAL COST OF OWNERSHIP:** Reduce total cost of ownership with a rugged, chemical-resistant case that extends device lifespan and minimizes IT support tickets.
- **'STOP-THE-DROP' SAFETY COMPLIANCE:** Maximize uptime and prevent accidents with oversized, reinforced lanyard points engineered for secure tethering, military-grade drop protection, and an included 9H glass screen protector.
- **UNINTERRUPTED FIELD WORKFLOW:** Enhance worker productivity with a glove-friendly design for use in any condition, easy-to-clean surfaces for safety compliance, and full MagSafe/Qi charging compatibility.
- **EXTENDED UTILITY & ACCESSIBILITY:** Streamline your workflow with seamless integration to our Holster accessory, providing a secure, quick-draw belt clip.
