

Simplifying dental care for kids

Our latest Lifetime of Smiles® plan option simplifies kids dental coverage to make things easier for your employees with kids. Good oral health habits start when you are young and follow you into adulthood, so our new plan encourages kids to start off with good habits like going to the dentist.

This plan features 100% in-network coverage and no deductible for dependent children under age 13. The services must be covered by the plan and can be preventive, basic or major¹. This means exams, cleanings, x-rays, and any other service covered by your plan will have no out-pocket-cost. No surprises, just complete, easy to understand dental coverage for kids.

Kid Smile Complete is available with any of our PPO dental plans including Administrative Services Only (ASO) plans.
