

Lush Windows & Doors Sets New Standard in Metro Vancouver with Industry-Leading Warranty and Energy-Efficient Products

Coquitlam, BC – April 22, 2026 — Lush Windows & Doors, a trusted provider of premium window and door installations in Metro Vancouver, is raising the bar for homeowners with its industry-leading warranty and high-performance energy-efficient products.

As demand grows for durable, energy-saving home upgrades, Lush Windows & Doors continues to stand out by delivering long-term value, superior product performance, and customer-focused service.

Industry-Leading Lifetime Warranty for Peace of Mind

One of the company's strongest differentiators is its comprehensive lifetime warranty, covering both products and installation. This commitment reflects Lush's belief that window and door replacement should be a one-time investment for homeowners.

"Our goal is simple—install products that last and stand behind them completely," said a company spokesperson. "Homeowners deserve confidence that their investment is protected for years to come."

Energy-Efficient Windows and Doors Designed for Canadian Homes

Lush Windows & Doors offers ENERGY STAR® certified windows and doors that meet or exceed Canadian efficiency standards, helping homeowners reduce heat loss, lower energy bills, and improve year-round comfort.

Their product lineup includes:

- Double and triple-pane windows for superior insulation
- Durable vinyl and custom window options
- High-performance patio and entry doors

All products are designed and manufactured in Canada to perform in Canada's climate while reducing environmental impact and improving home efficiency.

A Trusted Name in Metro Vancouver
