Update on voluntary public offer by NNS for OCI

Limassol, 26 June 2026 – Reference is made to the press release issued by the court-appointed independent non-executive directors of OCI on 25 June 2026 confirming that they are continuing to consider the proposal from NNS for a voluntary all-cash public offer for all the issued and outstanding ordinary shares in the capital of OCI (each a "**Share**") at an offer price of EUR 4.10 per Share.

NNS confirms that the offer price of EUR 4.10 per Share represents its final offer. NNS is prepared to sell its shareholding in OCI should a third party be willing to make an offer for OCI that provides more value to all shareholders.

Pursuant to the provisions of Section 7, paragraph 1 sub a of the Decree, which requires a public announcement with a status update on an intended public offer within four weeks after such offer is announced, NNS hereby provides this update on the Offer.

A request for review and approval of the Offer Memorandum is expected to be filed with the AFM in the week commencing Monday 29 June 2026.
