

Diagram 1: Infill and step-out drilling at 610-metre level (plan view)

Infill and step-out drill holes:
 Section (1) 610-17-22
 Section (2) 610-17-07
 Section (3) 610-17-23, 610-17-24

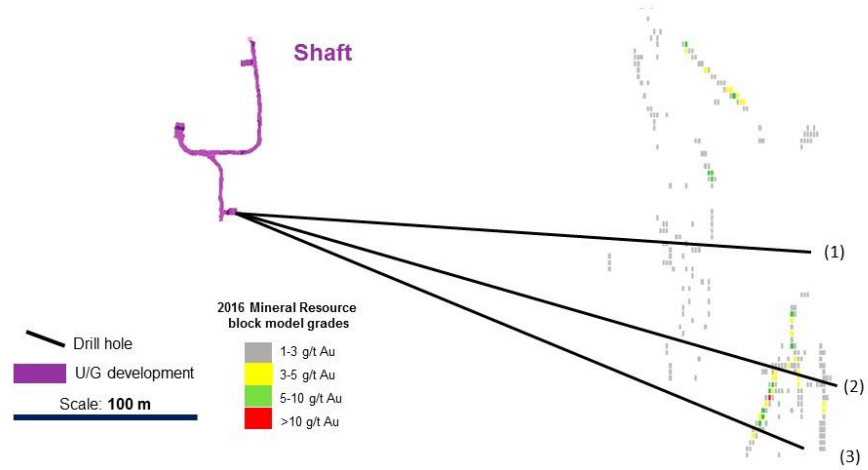

Diagram 2: Infill and step-out drilling cross section (looking north)

Section (1) Infill and step-out drill hole 610-17-22

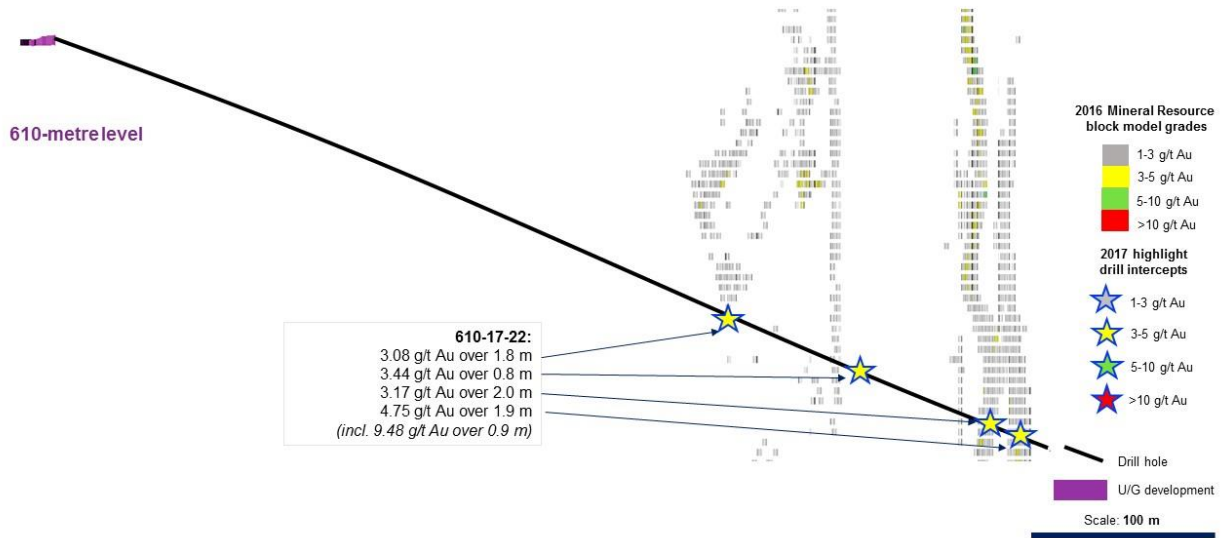

Diagram 3: Infill and step-out drilling cross section (looking north):

Section (2) Infill and step-out drill hole 610-17-07

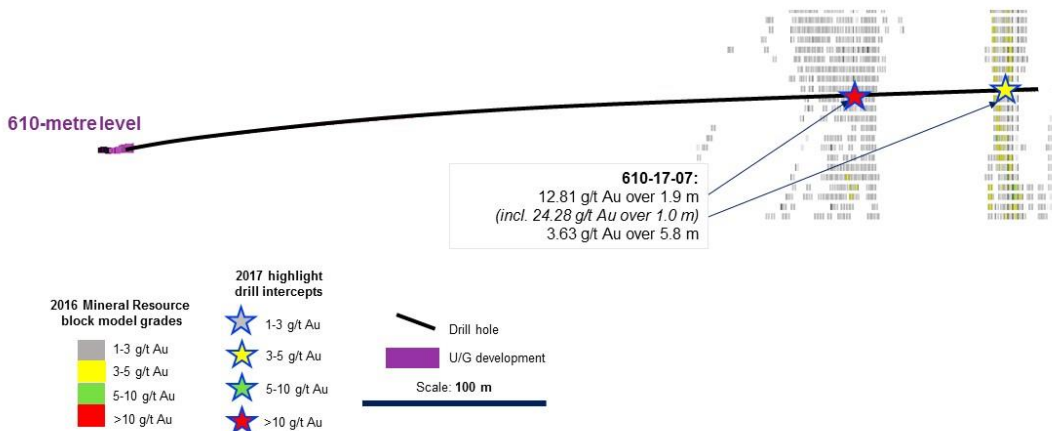

Diagram 4: Infill and step-out drilling cross section (looking north)

Section (3) Infill and step-out drill hole 610-17-23 & 610-17-24

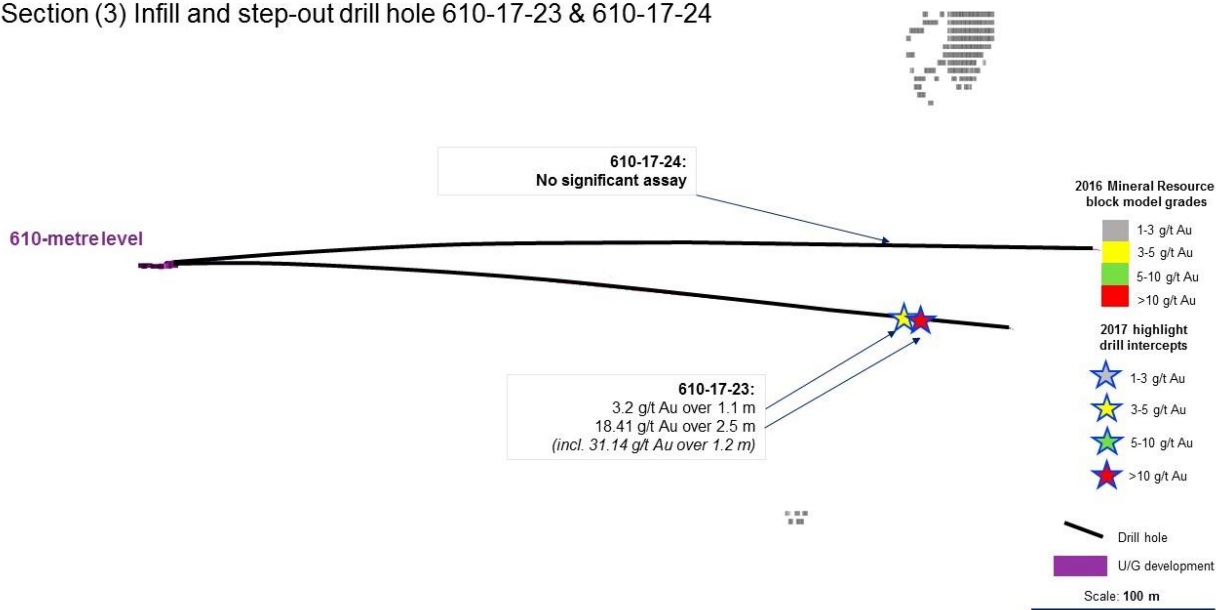

Diagram 5: Infill and step-out drilling at 685-metre level (plan view)

Infill and step-out drill hole:
 Section (1) 685-17-4B, 685-17-05
 Section (2) 685-17-06
 Section (3) 685-17-03

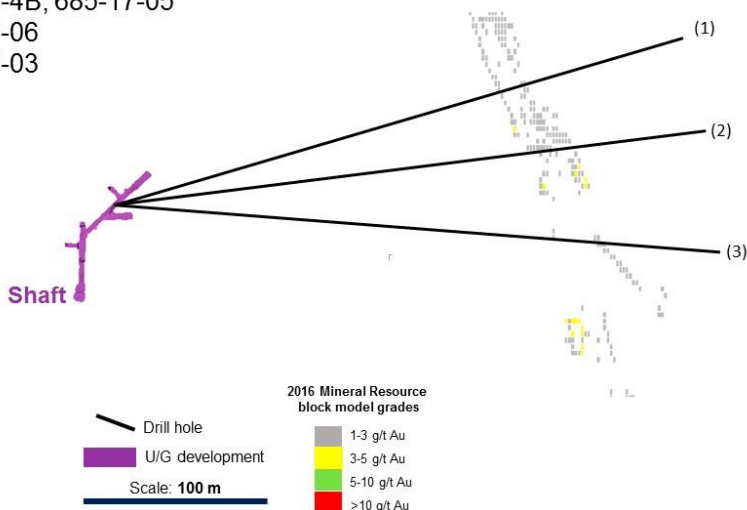

Diagram 6: Infill and step-out drilling cross section (looking north)

Section (1) Infill and step-out drill hole 685-17-04B & 685-17-05

Diagram 7: Infill and step-out drilling cross section (looking north)

Section (2) Infill and step-out drill hole 685-17-06

Diagram 8: Infill and step-out drilling cross section (looking north)

Section (3) Infill and step-out drill hole 685-17-03
