For today's busy woman who wants to feel confident, cozy and fun without compromising her budget.

Giant Tiger Stores Limited is relaunching women's intimates and sleepwear under the new brand, **Carisma**.

This is the final phase of our soft goods evolution at **Giant Tiger**. We began with women's wear in 2016 and soon followed with children's and then menswear in the fall of 2017. **Giant Tiger** has everything that the busy Canadian woman needs in a convenient shopping experience.

Carisma provides value, confidence and comfort in a range of undergarment and sleep essentials made for everyday life.

FOR YOU. FOR LESS. GIANTTIGER.COM

***FOR YOU. FOR LESS.** We work hard to ensure that your basket of merchandise at Giant Tiger will save you money as compared with buying the same basket at one of our competitors. We check our competitors' prices daily and match them. We can't promise that every single item in our store will be cheaper than at a competitor, but if you do find an item advertised by one of our competitors for less, we will sell you that item for 1 cent less.
