#### **About Seaspan**

Seaspan provides many of the world's major shipping lines with creative outsourcing alternatives to vessel ownership by offering long-term leases on large, modern containerships combined with industry leading ship management services. Seaspan's operating and managed fleet consists of 112 containerships representing a total capacity of approximately 900,000 TEU, including 4 newbuilding containerships on order scheduled for delivery to Seaspan and third parties by mid-2018, and one second hand vessel scheduled for delivery during the month. Upon delivery of the

second hand vessel, Seaspan's operating fleet will be comprised of 92 vessels with an average age of approximately six years and average remaining lease period of approximately five years, on a TEU weighted basis.
