Paper Excellence Acquisition of Catalyst Paper Fact Sheet

Paper Excellence Canada... Company History/About Paper Excellence

- Paper Excellence manufactures NBSK Pulp for the paper industry and BCTMP for printing, paper board and packaging.
- PEC's products are exported globally.
- Widely recognized for superior quality, PEC's products are produced from renewable resources which are accredited with PEFC and/or FSC sustainability certifications.
- Paper Excellence has evolved from a new entrant as an exporter within the value-added natural resources (pulp) industry to being among one of Canada's largest pulp producers.

Catalyst Paper... Company History/About Catalyst Paper

- Catalyst Paper manufactures diverse papers such as industrial packaging, food service, coated ground-wood, newsprint and directory paper, as well as market pulp.
- Customers include retailers, publishers and commercial printers in North America, Latin America, the Pacific Rim and Europe.
- With three mills in western North America, Catalyst Paper manufactures 1.3 million tonnes of pulp and paper products.
