

FEELING TAXED THIS APRIL?

Whether you're banking on a refund or preparing to pay up, one thing is certain: the 2018 tax season has been stressful. No matter what your tax return looks like this year, Orbitz is making sure taxpayers still get **#rewarded**.

Book a hotel or hotel + air package on April 15 (aka Tax Day) via [Orbitz.com/TaxDay](https://www.orbitz.com/TaxDay) and we'll match the taxes and fees paid at the time of booking in Orbucks for use on a future trip*. That's a savings of up to 25%. Why? Because tax reform shouldn't stop you from traveling.

REFUND REAL TALK

47% of respondents plan to pay off debt or put their refund into savings

1 in 3 taxpayers feels more anxious about their refund in 2019 due to tax reform

More than 33% of filers say they've been surprised by their return (or lack thereof)

THAT FILING FEELING

Nearly 50% of 18-24 year olds still call their parents before filing taxes

Almost 1/2 of respondents would rather go to the dentist than file taxes

50% are so overwhelmed by filing taxes that they hire a professional to handle it for them

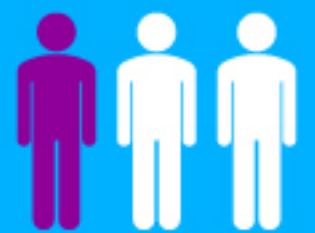

TOUGH TIMES FOR TAXPAYERS

70% of respondents said they believe their tax return will be affected by tax law changes

18% of respondents don't expect to receive a refund at all due to the 2018 tax reform

Only 1/3 of respondents were aware of the tax changes this year

72% heard about it online or via news articles
