

# A first year of milestones for Airbus and the A220

July 1, 2018 – June 30, 2019

## Airbus Canada Limited Partnership

# 234

New firm A220 orders and commitments during the 12 months (154 new firm orders plus – as announced the week of June 17, 2019, at the Paris International Air Show – 80 commitments).

# 2,500

Total number of employees and contractors working at Mirabel on the A220 program as of June 2019.

# 4

Number of continents where the A220 now flies, following the addition of two continents in the past year: **North America** with Delta Air Lines in the U.S. and **Africa** with Air Tanzania and EgyptAir, joining airlines based in **Europe** and **Asia**.

# 12,000

Total number of aircraft delivered by Airbus globally since its first in 1974 with the delivery in April 2019 of an A220-100 to Delta Air Lines.

# 5 years

Length of the labour contract ratified in June 2019 by Airbus unionized workers in Mirabel.

# 830 km

Increase in range for the A220 announced by Airbus in May 2019 due to changes to increase its maximum takeoff weight; the range of the A220-100 will rise to 6,300 km – enabling flights from Montreal to London or from Vancouver to Cuba.
