The sale was completed on August 9, 2019 and resulted in the exchange of 417,230 KgU as UF<sub>6</sub> for 1,090,160 pounds U<sub>3</sub>O<sub>8</sub> plus cash consideration and beneficial storage arrangements.

**About Uranium Participation Corporation**

Uranium Participation Corporation is a company that invests substantially all of its assets in uranium oxide in concentrates ("U<sub>3</sub>O<sub>8</sub>") and uranium hexafluoride ("UF<sub>6</sub>") (collectively "uranium"), with the primary investment objective of achieving appreciation in the value of its uranium holdings through increases in the uranium price. UPC provides investors with a unique opportunity to gain exposure to the price of uranium without the resource or project risk associated with investing in a traditional mining company. Additional information about Uranium Participation Corporation is available on SEDAR at [www.sedar.com](http://www.sedar.com) and on UPC's website at [www.uraniumparticipation.com](http://www.uraniumparticipation.com).

### ***Caution Regarding Forward-Looking Information***

This press release contains certain forward-looking statements and forward-looking information that are based on UPC's current internal expectations, estimates, projections, assumptions and beliefs. Forward-looking statements generally can be identified by the use of forward-looking terminology such as "may", "will", "expect", "intent", "estimate", "anticipate", "plan", "should", "believe" or "continue" or the negative thereof or variations thereon or similar terminology and include statements with respect to UPC's investment objectives, the transactions entered into with third parties, and agreements with respect to the storage of the UPC's uranium holdings.

By their very nature, forward-looking statements involve numerous factors, assumptions and estimates. A variety of factors, many of which are beyond the control of UPC, may cause actual results to differ materially from the expectations expressed in the forward-looking statement. These factors include, but are not limited to, changes in commodity prices and foreign exchange as well as the risk that UPC will not obtain the anticipated benefits of its agreements with third parties. For a description of the principal risks of UPC, see "Risk Factors" in UPC's Annual Information Form dated May 6, 2019 for the year ended February 28, 2019, a copy of which is available at [www.sedar.com](http://www.sedar.com).

These and other factors should be considered carefully, and readers are cautioned not to place undue reliance on these forward-looking statements. Although management reviews the reasonableness of its assumptions and estimates, unusual and unanticipated events may occur which render them inaccurate. Under such circumstances, future performance may differ materially from those expressed or implied by the forward-looking statements. Except where required under applicable securities legislation, UPC does not undertake to update any forward-looking information statement.
